

2022 DC Chapter Election

ANDREW GRIFFITHS

For Vice President

PERSONAL STATEMENT:

Since joining the chapter's executive committee almost ten years ago, I have strived to provide the best possible KOTESOL experience that I can to our membership. I would like to continue to do this by retaining my position as the chapter's vice-president. If I am re-elected, my aims are to improve the benefits we already offer our members. This will include continuing our Wednesday Workshops while also reintroducing, post-Covid, our face-to-face socials. I believe it is also of paramount importance that we ensure our Thanksgiving Symposium is held next year as well. These will be my primary goals as the chapter vice-president.

KOTESOL EXPERIENCE:

DCC MAL 2013-2016, DCC
Membership Coordinator
2017 - 2019, DCC Vice
