

Seoul KOTESOL Social Event

August 22, (Saturday, 7pm-10pm)
King Bar, Itaewon

Hello fellow KoTESOLers!

I am sure you are all curious as to why there has been no announcement about August's workshop? Well, as there is a Reflective Practice SIG event during the day (which is definitely worth checking out!), we decided that for our August event we will be getting sociable!

We will be hosting a quiz and mixer at King's Bar in Itaewon from 7 to 10PM. Entrance fee is 10,000Won per person with one free bottled drink and billiards. A live band from Lotte World will start at 11PM.

Members, non-members, friends, other halves and any others you wish to bring are welcome! Don't worry about making a team before you come, just show up and have some fun!

It would be lovely to see as many faces as possible!

See you next week!
