

2022 DC Chapter Election

COLE BEARDEN

For Member at Large

PERSONAL STATEMENT:

As a foreign teacher in Korea, there are many struggles that one can find themselves facing. Finding a community to be a part of, opportunities to further your education, resources to learn new teaching ideas, etc. are all areas which foreign teachers in Korea need support in. As a prospective member in KOTESOL, I hope to help offer programs and events that can help to support these teachers, and make our community even stronger.

KOTESOL EXPERIENCE:

My past involvement in KOTESOL includes attending virtual presentations and attending the DCC Chapter picnic.
