

Hi Everyone,

To get to the Language Center, you can take an express bus to Cheongju Terminal (청주). From there you can take a taxi to Cheongju University (청주대학교). If you are coming from Seoul you can take direct buses from the Express Bus Terminal or Nambu Terminal (Nambu runs a more regular service to a stop very close to Cheongju University - 북청주터미널). When you arrive at the front gate, head up the hill and around the turn until you get to the College of Humanities. It's labeled as building #6 (6동). When you see this building, turn left and keep on down the street. The Language Education Center is located on the left, next to the soccer stadium. It's called the New Millennium Center (새천년종합정보관) and the conference will be held on the second floor. If you have any problems finding the building, you can call me (Justin) at 010-6612-8222.

Here is a picture of our building....
