

Directions to Woosong Tower

Are you driving? You can map Woosong High School on Naver, and it is right across the street (again, my Naver map lists Woosong Tower as “Donggu Cheongbu Center”)--13 stories--hard to miss in Daejeon. You may park in the basement for free, but you must get validated.

Are you arriving by bus? from Dong-bu terminal, take the 102 bus from in front of the pizza hut, get off in front of the main gate and ask the guard for directions. (or taxi to Woosong main gate.)

Are you arriving by train? From Daejeon station, I recommend the subway. It is one stop to Daedong station, exit from exit number 6 -- the exit sign says Woosong high school in Roman letters. and then a five minute walk. Follow the signs to the middle/high school. (It is a fairly steep and windy road up from the main street.)

If you can't find your way--call 010-4039-4392.

Please refer to the map on the next page.
