Teacher Beliefs

Monday

- 1) Grammar/focus-on-form/accuracy—how does this play out in your teaching repertoire?
To what degree is the teaching and learning of grammar a core component of our students' success?

Tuesday

- 1) In today's educational context, gamification and edutainment is essential. True or false?
Somewhere in between?

Wednesday

- 1) Without formal exams, teachers cannot measure what students have learned or give constructive feedback. True or false? Somewhere in between?

Thursday

- 1) Memorizing and learning by rote is a helpful, effective learning strategy.

Friday-Sunday

- 1) It's best to ascertain students' needs and interests and then integrate them to the curriculum. I do this by _____.
