*Korea TESOL Reflective Practice Special Interest Group*

**Trends in ELT**

**Monday**

- 1) What were your academic interests when you first started teaching? What are they now? How or why did your interests change over time?

**Tuesday**

- 1) As a teacher, how do you incorporate technology in your lessons? How has technology added value to your learners? To you?

**Wednesday**

- 1) What are some developments or innovations in teaching and learning that you've witnessed lately? More broadly, where is the field of ELT heading? Why do you think so?

**Thursday**

- 1) What are some 21C skills that we as teachers need to adopt or foster in our learners?

**Friday-Sunday**

- 1) It's not too early to sketch out ideas for upcoming presentations or workshops. What are 2-3 possible topics you can lead?
