Dear Teachers,

Join us for our next Café TeaSOL event! This time we will be sharing Lindsay Herron's "10 Tech Tools Every Teacher Should Know About" resources in case you missed her presentation at our March Quarterly workshop. We will also hear feedback from teachers who have successfully implemented some of these tools into their ESL classrooms.

This meeting will also pair as an open house for those interested in learning more about KOTESOL and how to join, please come and see what we are all about.

This event is free and open to all, but we do suggest that you purchase a cup of coffee or tea to support our host, Café Mori.

Sincerely,

Jeju KOTESOL Executive Members

What is KOTESOL?

The local Jeju chapter of KOTESOL. KOTESOL: Korea Teachers of English to Speakers of Other Languages is a professional organization for teachers of English. Our main goals are to assist members in their self-development, and improve ELT in Korea. KOTESOL allows teachers to connect with others in the English Language Teachers community and find teaching resources in Korea and abroad through KOTESOL publications, conferences and symposia, and chapter meetings and workshops.

Our chapter meets regularly to discuss teaching ESL in Jeju. We also frequently host guest lecturers from Jeju and the mainland. The meetings are conducted in English. Korean and Foreign teachers are welcome to attend.
