For President

## PERSONAL STATEMENT:

I have a passion for promoting professional development within Korea's EFL community. While teaching may not be in our background, Korea is where life has taken us and, as such, we should make sure we do the best we can while we are here. I love the community that KOTESOL provides. As DCC President I will serve the chapter to the best of my ability.

## KOTESOL EXPERIENCE:

DCC President, DCC Vice President, DCC Web Editor, International Conference Guest Services Director
