## YOUR PARTNER FOR SUCCESSFUL ENGLISH LANGUAGE TEACHING

### ATTEND & LEARN

The education you want from the experts you trust.

#### Online Courses: Facilitated & Self-Study

4- and 6-week online courses focused on key areas in the field.

Develop new skills, improve core competencies, and stay abreast of the latest developments in the dynamic field of English language teaching and learning.

#### Virtual Seminars

Free for members, TESOL virtual seminars are 90- to 120-minute webcasts focused on key issues in ESL and EFL.

Registrants have access to both the live and recorded versions.

#### Certificate & Training Programs

TESOL training programs give you the opportunity to sharpen your teaching and leadership skills while advancing your career.

## tesol press

### READ & PUBLISH

More than just books, TESOL Press offers many valuable resources.

#### TESOL Bookstore: Essential titles for the ELT professional

TESOL members save 20% off the list price.

[www.tesol.org/bookstore](http://www.tesol.org/bookstore)

#### Professional Journals

TESOL members have online access to TESOL Journal, a refereed publication with articles for classroom practitioners. Members may also subscribe to TESOL Quarterly, the field's premier refereed journal devoted to research on English language teaching and learning.

#### News Publications

TESOL Connections, a monthly members-only electronic newsletter, features practical articles, association news, job postings, and important resources.

The biweekly e-mail publication the English Language Bulletin (ELB) offers an informative snapshot from around the world on what's happening in the field.

[www.tesol.org/read-and-publish](http://www.tesol.org/read-and-publish)

#### Standards

TESOL provides teacher, learner, and program standards for English language education in several contexts worldwide.
